

**Remarks**

This is responsive to the Notice of Non-Compliant Amendment mailed on March 29, 2005.

As identified in the Notice of Non-Compliant Amendment, the amendment filed on February 16, 2005 contained errors in the identification of page and line numbers for paragraphs of the specification that were being amended to correct typographical errors.

Applicant submits herewith the amended paragraphs with the page and line numbers of the paragraphs corrected to match the application as filed. No new matter has been added.

It is Applicant's understanding that only the non-compliant section of the amendment needed to be resubmitted. Accordingly Applicant has not included in this "Response to Notice of Non-Compliant Amendment" any of the claim amendments made in the amendment filed on February 16, 2005 or made in the supplemental amendment filed on March 3, 2005.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to Deposit Account No. 23/2825.

Respectfully submitted,  
*Kaji, et al., Applicant*
